## ABOUT

As a young, undergraduate student, I am always looking for new opportunities to learn and grow. I consider myself to be a well-rounded individual that can operate well in a variety of environments. I believe my strongest points to be my organization and self-motivation. Previous employers and coworkers have praised my hardworking attitude and amicable nature.

## EXPERIENCE

### CSIL, UNIVERSITY OF CHICAGO | CLERICAL STUDENT OFFICE

#### ASSISTANT, TUTOR

Jan 2017 - present | Chicago, IL

- Handled Mac OS X 10.11 computer images, machine backups, and gathering of lab usage statistics.
- Worked an average of 15 hours per week while handling student and extracurricular responsibilities.
- Resolved lab issues daily in a practical and dynamic environment.

### FEMMES, UNIVERSITY OF CHICAGO | HEAD OF MODULES,

#### CURRICULUM COMMITTEE MEMBER

Jan 2017 - present | Chicago, IL

- Encouraged young female students in middle-school to pursue their interests in STEM-related fields by facilitating their understanding of key computer science concepts in engaging and intuitive lessons.
- Designed stimulating weekly curricula and annual capstone modules in collaboration with fellow undergraduates.
- Networked with university professors to obtain their input and assistance in implementing our capstone modules.

### PREMIER ORTHOPAEDICS BONE & JOINT CENTER | SECRETARY

Jun 2013 - Aug 2013 | Lewes, DE

- Facilitated the transfer of old medical patient records to an online database.
- Devised an organized, intuitive filing system for archiving paper records that received praise from on-site medical staff.
